Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for upgrades to Water Street in Elmira, NY in the surface transportation reauthorization legislation. The project sponsor is the City of Elmira and it is located along Water Street, Elmira.

The funding is designated for a new traffic camera, improving pedestrian routes, and updating for ADA compliance. The project is an appropriate use of taxpayer dollars and is anticipated to improve the safety of motorists and pedestrians of the City of Elmira.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tom Reed
Member of Congress
